The Christmas Store Project

December 10-11, 2010

The Christmas Store is a ministry to the needy of our area during the Christmas season. Beginning in September the church begins preparing through collection of money, toys and personal hygiene items to assist deserving families. The church has the opportunity to participate in this ministry by giving, and also by serving on volunteer teams as we conduct the store on Saturday. The designated families are able to shop free of charge for their family members. We need committed church members to make this project a reality.

Consider financial assistance before saying no. If God is calling you, He will provide a way! Scholarships are available at different levels based on the overall cost. Persons needing assistance should submit an application available through the church office.
